

Мир вина для нас — это бесконечное и увлекательное путешествие. Мы выбираем небольшие хозяйства, которые делают терруарные вина, характеризующие место, где был выращен виноград. Мы питаем интерес ко всему новому, происходящему в винном мире, и отдаем должное традиционалистам и великим домам, которые определяли виноделие десятилетиями. Вина в нашей карте сочетаются с нашей кухней. Наслаждайтесь!

Для удобства мы сделали для вас маркеры:

W (white) — белое вино, R (red) — красное вино, RS (rose) — розовое тихое вино, O (orange) — оранжевое вино.

We see the realm of wine as an endless and fascinating journey. We pick and choose small wineries producing their wines in peculiar terroir that characterises the originality of the grapes. We care for and follow closely all the novelties in the world of wine, we celebrate the traditionalists and the great wineries that have been defining winemaking for decades. The wines in our list go very well with our cuisine. Enjoy!

In order for you to understand our wine list, we made markers:

W — white wine, R — red wine, RS — rose, O — orange wine.
